Angela and Derek,

On November 7, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed new course requests for Polish 3102 and Slavic 4800.

I am pleased to report that both courses were unanimously approved with a few questions/recommendations.

Polish 3102:

1. P. 2: Replace reference to “quarter” with “semester” (when course is taught).
2. Form in curriculum.osu.edu: Course Components and Grade Roster Component should likely not say “recitation.”
3. Are we sure the credit hours is 4? Does course indeed meet for 4 semester credit hours? Shouldn't it be 3 like for Polish 3101?

Could you please communicate answers to me re: points 2 and 3?

Slavic 4800:

1. The curriculum map does not include Slavic 4800. For future submissions, if a new course can be part of the unit's major, please first update the curriculum map of the appropriate major and upload it in curriculum.osu.edu.
2. The rubric for the final paper refers to Russian 4575. Not clear why this document was uploaded.

The requested GE Social Science—Individuals and Groups status will next need to be reviewed by the Social and Behavioral Sciences Panel.

If you have any questions about this feedback, please feel free to contact Carmen Taleghani-Nikazm (Chair-for-the-day of the A&H Panel on Nov. 7; cc'd on this e-mail), or me.

My best,  
Bernadette
