Dear Mollie,

History of Art 2003H was reviewed by the ASCC Honors Panel on Monday, November 17th. The Panel did not vote on the proposal as they would like to see the following change made:

The course should have a new course number and be considered as a separate course (not as an honors version of HA 2003) due to the difference in regional focus or adjust the course to cover the same regions as HA 2003.

I will send back the course via curriculum.osu.edu in a moment. Should you have any questions regarding this feedback please contact the Chair of the ASCC Honors Panel, David Stetson (cc'd on this email).

Best,
Danielle
