Glenn,

Thank you for the concurrence. I'll convey that to College Ctte. I hope that in the next term, we can arrange a meeting between the Latina/o Studies faculty and the SPPO Latina/o Languages faculty since collaboration on curricular goals will continue to be important.

In the meanwhile, enjoy your holidays.

All best,
Theresa

Best,
Glenn

Subject: concurrence on Revisions to LS Minor

Dear Glenn,

Hope you are well.

Attached is a proposal from the LS Faculty Advisory Council on revising the Minor in Latina/o Studies. The proposal includes a discussion of the rationale and a list of proposed changes. We hope that SPPO will find that these changes are complementary to the efforts of SPPO and offer its concurrence.

All best,
Theresa
