Dear Jim,

This note to confirm the vote of the ASC Curriculum Committee on Friday, February 20. The Committee unanimously approved the new minor with two contingencies:

- Request to revise the title. (Recommendation to run the new title by students with a variety of backgrounds.)
- Add more structure to the minor.

At your request, I already sent back the program proposal to the Department queue (in curriculum.osu.edu) last week.

Should you have any questions about this feedback, please do not hesitate to contact Professor Meg Daly (Chair of the ASCC; cc'd here), or me.

My best,
Bernadette
