Steve:

The proposal from the College of Arts and Sciences to establish an undergraduate minor program in Medical Humanities was approved by the Council on Academic Affairs at its meeting on September 2, 2015. The Chair of the Council Professor Blaine Lilly, and I as Vice Chair, presented the proposal on your behalf.

No additional level of internal review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact Professor Lilly (.2) or me.

Congratulations on the successful completion of the approval process for this new program!

Randy
