Dear Dr. Culicover and Julie,

On Friday, December 5, the Arts and Humanities Panel of the ASC Curriculum Committee (ASCC) reviewed the proposal to create new course Linguistics 2052H. I am happy to report that there was strong support for the course and the Panel unanimously approved it.

Linguistics 2052H will next be reviewed by the Honors Panel of the ASCC (for the requested Honors status) and subsequently the Natural and Mathematical Sciences Panel (for the requested GE Quantitative Reasoning—Mathematical or Logical Analysis status).

Should you have any questions about this feedback, please feel free to contact Carmen Taleghani-Nikazm (Chair-for-the-day of the A&H Panel on December 5; cc'd here), or me.

Best,
Bernadette
