Dear Gregory and Erica,

On Friday, December 5, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed the proposal to create new course Modern Greek 2240 (counterpart of the existing 2240H). I am very happy to report that the Panel unanimously approved the course—everyone thought the assessment plan was very strong. The course will now be presented as an fyi to the full ASC Curriculum Committee and if there are no comments or questions will subsequently be advanced to the Office of Academic Affairs.

Please know that the GE assessment plan will need to be implemented each time the course is offered and GE data gathered. After the second offering of the course, the Department of Classics will be asked to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help with any aspect of the GE assessment requirement.

If you have any questions, please feel free to contact Carmen Taleghani-Nikazm (Chair-for-the-day of the A&H Panel on December 5; cc'd here), or me.

Best,
Bernadette
