Barbara,

This note to confirm that the ASC Graduate Curriculum Committee unanimously approved the new course request for Anthropology 7800 this week with one suggestion and one contingency:

- Suggestion to address the tone in the syllabus.
- Contingency: Replace academic honesty statement with standard language found on p. 15 of ASC Curriculum and Assessment Operations Manual: https://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf The following sentence, in particular, should be removed, "If you are caught cheating or plagiarizing, you WILL FAIL this course." This is incorrect since it is up to the Committee on Academic Misconduct to determine the sanction.

Also please do note that, as discussed and agreed at the meeting, the following statement in the course description "Undergrads may enroll with instructor permission" should be changed to "Undergrads may enroll with instructor permission and approved petition to the Graduate School." Elizabeth Freeman will be able to adjust the form.

I will return the course via curriculum.osu.edu to enable the Department to address the points above.

My best,
Bernadette
