Dear Sue,

The ASC Graduate Curriculum Committee reviewed Philosophy 8800 at their meeting on March 6<sup>th</sup>. The course did not go to a vote as the Committee would like the following concerns addressed:

- Clarify the rationale for how variable credit will be handled. More specifically, clarify the last sentence in the rational provided in response to the prior revision request.
  - Provide an example of when a student would be allowed to enroll for one credit and when a student would be allowed to enroll for four credit hours.
  - How is the coursework affected when a student enrolls for one or four credit hours?

I will send back the course via curriculum.osu.edu in a moment. Should you have any questions regarding this feedback please contact the Chair of the ASC Graduate Curriculum Committee and Associate Executive Dean, Steve Fink (cc'd on this email).

Best,  
Danielle
