Dear Joe,

On Wednesday, January 28, the SBS Panel of the ASC Curriculum Committee reviewed a request to add GE Social Science—Individuals and Groups to Educational Studies: Education Psychology 2309.

The Panel did not take a vote but would like the following point addressed first:
GE assessment plan: The direct assessment assignments do not adequately address ELO1 and ELO2, and in particular they do not include sufficient use of social scientific methods.

I will return the proposal to the Department queue via curriculum.osu.edu so that the point above can be addressed.

If you have any questions about the feedback above, please do not hesitate to contact Professor Pok-sang Lam (Chair of the SBS Panel; cc'd on this e-mail), or me.

My best,
Bernadette
