Hi Angela and Derek,

On Friday, February 6, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a new course request for Russian 5225.

I am happy to report that the course was unanimously approved with one contingency and one suggestion:

- Contingency: Curriculum map should be updated: include all the courses (required courses as well as electives) in the major, including proposed Russian 5225 course.
- Suggestion to have a writing prerequisite for the course (English 1110?).

I will return the course proposal in a minute to enable the Dept to address the points above.

If you have any questions about this feedback, please feel free to contact Janice Aski (Chair of the A&H Panel, cc'd above), or me.

Best,
Bernadette
