Shari:

The proposal from the Department of Arts Administration, Education, and Policy to revise its undergraduate major program by adding an “informal” pathway, was approved by the Council on Academic Affairs at its meeting on July 29, 2015. The Chair of the Council, Professor Jim Rathman, and I, as Vice Chair, brought the proposal forward for review and action on your behalf.

No additional level of review/approval is necessary. This action will be included in the Council’s next Annual Activities Report to the University Senate (July 2015).

This message represents my formal communication with you about this Council action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Rathman (.1) or me.
