Dear Professor Phelan and Debra,

The core course for the MA in Humanities, Cultures, and Medicine, English 6410, is currently in the queue of the department and will need to be submitted for approval before the MA program can be fully approved.

The MA will be sent back via [curriculum.osu.edu](http://curriculum.osu.edu) in order for the updated program request to be submitted with the concurrences attached. Currently we are having tech issues with [curriculum.osu.edu](http://curriculum.osu.edu) but once it is running correctly on our end we will be sure to return the program so the updates can be made and resubmitted.

The MA will be approved contingent upon the approval of English 6410.

Best,  
Danielle
