Scott and Rick,

On Wednesday, February 25, the SBS Panel reviewed a new course request for Anthropology 1000. The Panel did not vote on the proposal but would like the following points addressed first:

1. Please use most current ELOs for Diversity-Global Studies in the GE rationale. The ELOs used in the current rationale are no longer used under semesters. There are currently two GE ELOs in the category (not three). Please consult most recent ASC Curriculum and Assessment Operations Manual.
2. Request to develop the GE Assessment Plan. For the pre-and post-test, please provide sample questions and link these questions to the specific ELOs. All 7 ELOs of the 3 GE categories should be covered.

I will return Anthropology 1000 to the Department queue via curriculum.osu.edu so that the points above can be addressed.

As always, if you have any questions about the feedback above, feel free to contact Professor Pok-sang Lam (Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Bernadette
