Scott, Elizabeth, and Rick,

Janice Aski has approved the latest revision to the Anthropology 1100 submission.

The course request will next be presented to the full ASCC at its next meeting and, provided there are no concerns, will then be advanced to the Office of Academic Affairs. The course (with its request for GE Diversity-Global Studies, GE Social Science-Organizations and Politics, GE Cultures and Ideas, and Distance Learning status) will become effective Autumn 2015.

I am including the usual reminder that the GE assessment plans will need to be implemented each time the course is offered and GE data gathered. Like for all new GE courses, after the second offering of the course, the Assessment Panel will ask the Department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). As always, our program assistant Danielle Hogle (hogle.12) can further help the Department with any aspect of the GE assessment requirement.

My best,
Bernadette
