Dear Professor Swartz and Justin,

On Friday, April 10 , the Arts and Humanities Panel of the ASC Curriculum Committee (ASCC) reconsidered a proposal for NELC 3625 with GE Cultures and Ideas and GE Diversity-Global Studies.

I am happy to report that the course was unanimously approved by the Panel.

The course request will next be presented to the full ASCC at its next meeting and, provided there are no concerns, will then be advanced to the Office of Academic Affairs.

Please remember that the GE assessment plan will need to be implemented each time the course is offered and GE data gathered. Like for all new GE courses, after the second offering of the course, the Assessment Panel will ask the Department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://ascas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can further help the Department with any aspect of the GE assessment requirement. She will make sure to contact the Department before the course is offered and provide any assistance that the faculty member may need. Could you please communicate this information to the faculty member?

If you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the A&H Panel; cc'd on this message), or me.

My best,
Bernadette
