Dear Bernadette,

Thank you very much for this email.

I hope this email will suffice as the Department's confirmation that we have not, to date, received any response from Jon Davidson or anyone else at Film Studies to our February 27 inquiry about retaining our originally proposed course title for NELC 3625.

I hope it is clear that we are of course interested to continue the conversation with Film Studies about how best to accommodate the needs and constraints of both units.

Please do not hesitate to be in touch about any other questions you may have.

Justin

Subject: NELC 3625

Dear Professor Swartz and Justin,

On Friday, March 27, the Arts and Humanities Panel of the ASC Curriculum Committee (ASCC) reviewed a proposal for new course NELC 3625.

The Panel did not take a vote on the course but would like to obtain some clarification on the following matter: Attached concurrence from Film Studies requests that word "cinema" be removed from title of course. The Dept of NELC decided not to change the title of the course and responded to J. Davidson to that effect with a rationale for their choice. No subsequent response from J. Davidson to NELC's e-mail is included in the course request. Panel would like to know if there was a response from J. Davidson and, if so, see his response.

If you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the A&H Panel; cc'd on this message), or me.

My best,

Bernadette
