Hi Sarah,

Yesterday, May 6th, the ad hoc GE Service Learning Panel completed an e-vote for the revised proposal of ES:CE 2189S (FEED). I am happy to report that the Panel unanimously approved the course for the GE Service Learning attribute.

Please remember that the GE assessment plan will need to be implemented each time the course is offered and GE data gathered. I will contact the instructor of the course before each offering to discuss the GE Service Learning assessment plan along with the ASCC Assessment Panel Chair.

If you have any questions please feel free to contact me.

Best,
Danielle
