Dear Lisa and Mollie,

On Friday, April 10, the Arts and Humanities Panel of the ASC Curriculum Committee (ASCC) reviewed a proposal to add GE Historical Study to History of Art 2003/2003H and change the course title of the non-Honors version.

I am happy to report that the course requests were unanimously approved by the Panel.

The course requests will next be presented to the full ASCC at its next meeting and, provided there are no concerns, will then be advanced to the Office of Academic Affairs.

I am including the usual reminder that the GE assessment plan will need to be implemented each time the courses are offered and GE data gathered. Like for all new GE courses, after the second offering of the courses, the Assessment Panel will ask the Department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). As always, our program assistant Danielle Hogle (hogle.12) can further help the Department with any aspect of the GE assessment requirement. She will make sure to contact the Department before the courses are offered and provide any assistance that the faculty members may need. Could you please communicate this information to the faculty members?

If you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the A&H Panel; cc'd on this message), or me.

My best,
Bernadette
