Dear Joe and Sarah,

Yesterday, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal to add GE Social Science-Individuals and Groups to ESCFE 3200H, a new course.

The Panel did not take a vote on the request to add the Social Science GE category to the course. Indeed, the Panel members deem that as currently designed the course does not include enough social science theory. The other point that was brought up is that the Department of Educational Studies should ask for concurrence from the Department of Psychology for this new course.

I will return the proposal via [curriculum.osu.edu](http://curriculum.osu.edu) in a minute.

Should you or Maryanna Klatt have any questions about this feedback, please feel free to contact Pok-sang Lam (Faculty Chair of the SBS Panel; cc'd on this e-mail).

Best,  
Bernadette
