Dear Kristi,

Yesterday, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal for Sociology 4506, a new course.

The course was unanimously approved with two contingencies and one recommendation:

Contingencies:

- P. 2: "All exams and papers will be discarded at the end of Spring Semester 2015." Faculty rule 3335-8-23 indicates that one needs to wait one full year before discarding student papers. (So for a course that would have been offered AU14, the faculty member would have had to wait until AU of following year.)
- Add link to Code of Student Conduct in academic misconduct statement:
<http://studentlife.osu.edu/csc/>

Recommendation:

- Add class meeting times on syllabus.

I will return the course to you via curriculum.osu.edu in a minute to enable you to address the points above.

Should you have any questions about this feedback, please feel free to contact Pok-sang Lam (Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Bernadette
