Dear Allison,

On Wednesday, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal to change Speech and Hearing Science 5891 from a 3-credit course to a 2-credit course. I am happy to report that the course change was unanimously approved.

The course request will next be presented to the full ASCC at its next meeting and, provided there are no concerns, will then be advanced to the Office of Academic Affairs.

Should you have any questions about this feedback, please feel free to contact Pok-sang Lam (Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Bernadette
