Hello Rebecca,

On Friday, April 24, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a new course request for Art 3009.

I am pleased to let you know that the course was unanimously approved with 2 contingencies, namely:

- Clarify what the exact title of the course is. There is a discrepancy between title on syllabus and title on course form. Excerpted concurrences do not provide clear information to the Panel about what the agreed title of the course is (or if agreement was achieved for that matter).
- Excerpted concurrences do not provide clear information whether concurrences were granted or not. The e-mails are feedback messages from several units that seem to be part of a longer conversation. Panel would need clear concurrences from the units indicating their unconditional approval of the new course. (Suggestion to use the standard form for the concurrence.) The units would be Dance, Theatre, ACCAD, and perhaps Film Studies.

I will return the course via curriculum.osu.edu in a minute to enable the Department to address the points above.

Should you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the Arts and Humanities Panel), or me.

Best wishes,
Bernadette
