Dear Professor Liu and Justin,

This week, the ASC Graduate Curriculum Committee reviewed course requests for Hebrew 5100 and Persian 8891. Please find below the feedback of the committee:

- Hebrew 5100: Unanimously approved.
  
- Persian 8891: The committee did not vote on the course change request but would like the following points addressed first:
  - Committee would like clearer explanations for changing the course. It is not clear why the changes are being made. The rationale "changes in departmental faculty and graduate student body make up" is not sufficient.
  - It is not clear from the syllabus why this course is variable credit. Both syllabi submitted say the course is 4 credits.

Hebrew 5100 will now be advanced to the Graduate School and OAA. Persian 8891 will be returned to the Dept queue via curriculum.osu.edu to enable the Dept to address the points above.

Should you have any questions about this feedback, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee, cc'd on this e-mail), or me.

Best,  
Bernadette
