Dear Professor Schlueter and Andrew,

This week, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a request to change the number of Theatre 2832 to 3832.

I am pleased to report that the Panel approved the course request with two contingencies and one recommendation, which I here report:

Contingencies:

- Since the course is an elective in the Theatre major, please provide an updated curriculum map that includes Theatre 3832 and indicates at what levels the course meets the program goals.
- The form in curriculum.osu.edu lists TH 2811 as the prerequisite, but the syllabus lists TH 3831. Those are two different courses.

Recommendation:

- Panel noticed that the course description on the form in curriculum.osu.edu (which information appears in the course catalog) is slightly different from the course description in the syllabus. The Panel is fine with the syllabus being somewhat more specific than the course catalog but just wants to point out the difference to the Department of Theatre, and let the Department decide whether a change is needed or not.

I will return the course via curriculum.osu.edu in a minute to enable the Department to address the points above.

Should you have any questions about the feedback above, please feel free to contact Professor Janice Aski (Chair of the Arts and Humanities Panel; cc'd on this message), or me.

My best,
Bernadette
