Hello Ben and Alisa,

I am going to return Psychology 3191 to the Dept queue. As Ben already knows, the course change (addition of Distance Learning component—greater or equal to 50% at a distance) was unanimously approved this week by the SBS Panel with the contingency that the length of the written assignments be provided. If you could make these changes and then send back the course change up the approval chain, that would be wonderful.

Let us know if you have any questions.

Best & have a nice weekend—  
Bernadette
