Richard:

The proposal from the Department of Classics to revise its undergraduate major program – affecting the concentrations in Classical Humanities, Greek and Latin, and Ancient History and Classics – was approved by the Council on Academic Affairs at its meeting on December 2, 2015. The Chair of the Council, Professor Blaine Lilly, and I as Vice Chair, brought the proposal forward for action. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Lilly (.2) or me.
