Subject: Dance BFA program changes
Date: Monday, December 07, 2015 11:06:00 AM

Dear Susan and Mike,

On Friday, December 4, the Arts and Humanities Panel of the ASC Curriculum Committee reconsidered a proposal to make some changes to the Dance BFA.

I am happy to report that the Panel unanimously approved the request with the following two recommendations:

- The Dept gives an Autumn 2015 implementation date. However, the proposed changes cannot be officially implemented until CAA has approved the proposed revision. (The language will need to be adjusted before the proposal leaves the College.)
- Some data in the proposal do not clearly seem to support the request.

The proposal will next be reviewed by the full ASC Curriculum Committee this upcoming Friday, December 11. The meeting will be held from 8:30-10:30AM in 385 Bricker. We would like to invite either one of you (or both of you) to attend the meeting to answer any questions that the committee members might have. The discussion about the Dance BFA will probably start sometime after 9:20AM (exact time hard to pinpoint).

If you are available and will be attending the meeting, could you please let me know?

Many thanks,
Bernadette
