Michael:

The proposal from the Department of Dance to revise the Bachelor of Fine Arts in Dance degree program, by increasing the minimum GPA in the major to 3.0, and increasing the grade for courses in the major to C- to count toward the major, was approved by the Council on Academic Affairs at its meeting on January 13, 2016. The Chair of the Council, Professor Blaine Lilly, and I as Vice Chair, brought the proposal forward for action. Thank you for attending the meeting to respond to questions and comments.

No additional level of review approval is required. This action will be included in the Council's next [Annual Activities Report](#) to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Lilly (.2) or me.

Randy
