Dear Professor Gustafson,

On Thursday, September 3rd the Natural and Mathematical Sciences Panel of the Arts and Sciences Curriculum Committee reviewed Chemistry 3700. The course was *unanimously approved with the following contingencies*:

- Correct course request in curriculum.osu.edu to reflect that no distance learning is required by marking “no” in the Off Campus box instead of “sometimes.”
- Include curriculum map to show how the course fits in with the curriculum.

I will send back the course via curriculum.osu.edu in a moment. Should you have any questions regarding this feedback please contact the Chair of the ASCC NMS Panel, Peter Craigmile (cc'd on this email).

Best,
Danielle
