Jennifer:

The proposal from the Department of Political Science to revise the undergraduate major program leading to the Bachelor of Arts degree – by transitioning thematic clusters into formal specializations and specifying them on student transcripts - was approved by the Council on Academic Affairs at its meeting on December 2, 2015. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Blaine Lilly (.2) or me.

Randy
