Dear David,

On Friday, October 2, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a proposal for new course History 3219 with GE Historical Study.

I am happy to report that the Panel unanimously approved the course.

I am including the usual reminder that the GE assessment plan for History 3219 will need to be implemented each time the course is offered and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Assessment Panel will ask the Department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 8 of the ASC Curriculum and Assessment Operations Manual [p. 116] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). As always, our program assistant Danielle Hogle (hogle.12) can help the Department with any aspect of the GE assessment requirement. She will also make sure to contact the Department before the course is offered and provide any assistance that may be needed with assessment. Could you please let the faculty member(s) know?

Should you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the A&H Panel; cc'd on this message), or me.

Best regards,
Bernadette
