Dear Barry and Elizabeth,

On Friday, Oct 2. , the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a proposal to add GE Cultures and Ideas and GE—Global Studies to Religious Studies 3672.

The Panel approved the proposal with one contingency and three recommendations:

- **Contingency:** GE assessment plan: For each assessment method used, provide specifics/ examples: i.e., examples of embedded questions, journal prompts, opinion survey questions.
- **Recommendations:**
 - The only campus checked off for this course is Columbus. However, the syllabus belongs to a faculty member on the Newark campus.
 - This is no longer a Comparative Studies course yet both the syllabus and the GE rationale mention Comparative Studies 3672.
 - In the GE rationale document, the boilerplate for the GE Culture and Ideas includes outdated (i.e., pre-semester conversion) language pertaining to the defunct Arts and Humanities umbrella category. The GE rationale should only address the two expected learning outcomes for Cultures and Ideas.

The faculty Chair of the Arts and Humanities Panel is Janice Aski (aski.1). Should you have any questions about the vote of the Panel, please direct your questions to her.

I will return Religious Studies 3672 via curriculum.osu.edu in a minute to enable the Department to address the feedback above.

Best regards,
Bernadette
