Dear Bear,

On Monday, Oct. 19, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal for new course Political Science 6350.

The Panel unanimously approved the course with one contingency: Request concurrences from (1) Geography and (2) Earth Sciences.

Should you have any questions about the feedback above, please feel free to contact Pok-sang Lam (Chair of the SBS Panel; cc'd on this message), or me.

I will return the proposal via curriculum.osu.edu in a minute to enable the department to address the point above.

Best regards,
Bernadette
