Neelam and Ed:

The proposal to revise the Computer and Information Science program leading to the Bachelor of Science degree was approved by the Council on Academic Affairs at its meeting on February 3, 2016. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Blaine Lilly (.2) or me.

Randy
