Scott:

The proposal from the Department of Anthropology to revise the undergraduate minor program in Forensic Science, was approved by the Council on Academic Affairs at its meeting on December 2, 2015. The Chair of the Council, Professor Blaine Lilly, and I as Vice Chair, brought the proposal forward for action.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2016).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Lilly (.2) or me.
