Dear Ann and Holly,

This note to let you know that Carmen Taleghani-Nikazm, Chair of the Arts and Humanities Panel on Oct. 30, has looked over the revised submissions and approved both courses. The courses have been advanced and are on their way to the Office of Academic Affairs. Provided there are no concerns brought up by subsequent approvers, the courses will be effective (with their GE Cultures and Ideas and GE Cross-Disciplinary Seminar double status) Spring 2016.

I am including a reminder that the GE assessment plan for Architecture 4596/4596E will need to be implemented each time the course is offered and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Assessment Panel will ask the Knowlton School of Architecture to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 8 of the ASC Curriculum and Assessment Operations Manual [p. 116] [http://ascas.osu.edu/files/ASC\\_CurrAssess\\_Operations\\_Manual.pdf](http://ascas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf) ). Our program assistant Danielle Hogle (hogle.12) can help the School with any aspect of the GE assessment requirement. She will also make sure to contact the School before the course is offered and provide any assistance that may be needed with GE assessment.

Please let us know if you have any questions.

My best,  
Bernadette

Dear Ann and Holly,

On Friday, Oct. 30, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed course proposals for Architecture 4596 and 4596E (new courses with GE Cultures and Ideas & GE Cross-Disciplinary Seminar).

The Panel unanimously approved the courses for GE with one contingency: Please supplement the GE assessment plan with specific examples. For each GE expected learning outcome, please provide specific examples of the (embedded) questions.

The faculty Chair of the Arts and Humanities Panel was Carmen Taleghani-Nikazm (cc'd here) on Oct. 30. Should you have any questions about the vote of the Panel, please direct your questions to her.

I will return Architecture 4596 and 4596E via curriculum.osu.edu in a minute to enable you to make the necessary changes.

Best regards,  
Bernadette
