Lisa:

The proposal from the Department of History of Art to establish a program in Contemporary Art and Cultural Practice leading to the Master of Arts degree, was approved by the Council on Academic Affairs at its meeting on December 7, 2016. Thank you for attending the meeting to respond to questions/comments.

The proposal will now be sent to the University Senate with a request that it be included for action at the January 19, 2017 Senate meeting. If so, the Chair of the Council, Professor John Buford, will present it but we will need you, or a designee, in attendance to respond to any questions/comments. I will provide you with more details when I receive them. If approved by the Senate the proposal will be sent to the Board of Trustees for action at its next meeting, January 27, 2017.

Simultaneously, Professor Scott Herness, Interim Dean, Graduate School, will work with you on the approval process through the Ohio Department of Higher Education.

Please keep this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Buford (.5) or me.
