Dear Lisa and Kris,

On behalf of the ASC Curriculum Committee, I want to thank you again for coming to the curriculum meeting last Friday and answering some questions pertaining to the proposed new MA in Contemporary Art & Curatorial Practices. This e-mail confirms the approval of the program with the contingency that History of Art 7189 be fully approved by the Arts and Humanities Panel. In the meantime, I will keep the new MA in our queue.

On a side note, I noticed that the Graduate School had recently (on 11-25-15) returned HoA 7015 and 7020 to your queue with a note that the subsidy level of these courses should be changed to "Doctoral Level." If you could make this small change to both courses and then resubmit these, that would be wonderful.

Regards,
Bernadette
