Dear Sir or Madam,

Recently, the Department of Women's, Gender and Sexuality Studies requested approval for two of their courses to be offered in an online format. These courses are WGSST 4465 (Feminist Political Thought) and WGSST 4597.03 (Gender and Democracy in the Contemporary World). Both of these courses are cross-listed with Political Science as POLITSC 4465 and POLITSC 4597.03, respectively.

The Department of Political Science supports their offering of these courses in an online format and we will continue to cross-list these courses with Political Science whenever offered.

Regards,

Jennifer Mitzen
