Dear Denise, Jennie, and Kelley,

Again we want to thank you for meeting with the SBS Panel this afternoon, providing a demonstration of your online courses, and answering questions from the Panel.

After the meeting, the Panel members met briefly to discuss the distance learning offerings of the four courses. I am happy to report that they unanimously approved the online versions of Social Work 1120, 1130, 1140, and 3597 with the recommendation that the College of Social Work stay current with the latest security options with regard to exploring proctoring procedures for 3597.

I see that Social Work 1120, 1130, 1140, and 3597 are in the initiator queue in curriculum.osu.edu. Could Cathy Cole please advance these courses to us again so that we can advance the course requests to the Registrar's Office? That way, curriculum.osu.edu will accurately reflect the approved on-line status of those courses.

The members of the SBS Panel wish you continued success with your online courses.

Sincerely,
Bernadette
