ASC CURRICULUM

B. General Information

1. Do you want the prerequisites enforced electronically (see the OAA manual for what can be enforced)?
We would like to have the exclusions electronically enforced if possible.

2. Does this course currently satisfy any GEC requirement, if so indicate which category?
no

3. What other units require this course? Have these changes been discussed with those units?
n/a

4. Have these changes been discussed with academic units that might have a jurisdictional interest in the subject matter? Attach relevant letters.
n/a

5. Is the request contingent upon other requests, if so, list the requests?
no

6. Purpose of the proposed change. (If the proposed change affects the content of the course, attach a revised syllabus and course objectives.)
There is no change in course content given this proposed change. The content of the course is aimed at a relatively high level and thus best suited for graduate students, students doing a major or minor in linguistics or upper classmen. Ling201 and Ling270 already exist as lower level introductory courses and a better fit for freshmen, sophomores and students not intending to major/minor in linguistics.

7. Describe any changes in library, equipment or other teaching aids needed as a result of the proposed change.
none

8. If the proposed change involves budgetary adjustments, describe the method of funding:
n/a

Approval Process The signatures or actions on the lines in ALL CAPS (e.g. ACADEMIC UNIT) are required.
