Subject: Revision to Art Minor & Art 4009, 5009, and 5019
Date: Monday, December 07, 2015 11:33:00 AM

Dear Rebecca and Robert,

This note to confirm that on Friday, December 4, the Arts and Humanities Panel of the ASC Curriculum Committee considered a revision to the Art Minor and proposals for several new courses (Art 4009, 5009, and 5019).

Please find below the feedback from the Panel:

- Revision to the Art Minor: unanimously approved. The proposal will move on the full ASCC this upcoming Friday (12/11). (Robert will be able to answer any potential questions from the Committee.)

- Art 4009, 5009, 5019 (new courses): The Panel voted unanimously to table the review of those courses for the following reasons:
 - The Art Dept Curriculum Committee has not seen those course proposals. The Dept needs to have internal conversations about the proposed Art 3009, 4009, 5009, and 5019 courses first.
 - Course titles are different on forms in curriculum.osu.edu than on the syllabi. Please reconcile those differences.
 - Clear concurrences are needed from: Dance, Theatre, ACCAD, and Film Studies.
 - Conversations with different departments will need to include Steve Fink since he is now involved with the creation of the Moving Image Productions BA.

If you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the A&H Panel), or me.

Many thanks,
Bernadette
