Hi Robert,

I thought I would follow up with the official feedback of the Arts and Humanities Panel regarding the revision to the GE requirements in the Art BA. I realize you were at the meeting but here are the A&H notes anyway to help you with the revision. The proposal was unanimously approved with the following contingencies:

- The cover letter indicates that “BA art students will be required to have one class in art history at the 2000-level.” However, such a requirement is not included in the revised advising sheet. It should be included.
- Both advising sheets (new and revised): Change GE hours to 46-69 (instead of 47-49). Also, remove Arts Survey 1100 from list of GE courses and put elsewhere (e.g., before list of GE courses) since Survey course is not a GE course.

Please feel free to e-mail me the revised advising sheets when you have these.

My best,
Bernadette
