Dear Jennifer,

On Tuesday, January 12, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed the proposal for Theatre 5731.

The Panel approved the course with two contingencies and one question:

- Contingencies:
 - This course will very likely count in the Theatre major as an elective. If that is indeed the case, an updated curriculum map needs to be uploaded.
 - Request concurrence from Dept of English.

- Question: Why is this course repeatable three times? Are there indeed instances of students who go to London three summers during their undergraduate career?

I will return the course via curriculum.osu.edu in a minute to enable the Department to address the points above.

Should you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the Arts and Humanities Panel; cc'd on this message), or me.

Best,
Bernadette
