Dear Leslie and Nick,

On Tuesday, January 26, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a proposal for MRS 4217 (new course).

The Panel unanimously approved the proposal with three contingencies and one recommendation:

- Contingencies
 - Request concurrences from (1) History, (2) English, and (3) City and Regional Planning.
 - Include more information about the assignments. Add due dates for assignments on the weekly schedule.
 - Provide full curriculum map (i.e., listing all the courses).
- Recommendation: On p. 2 of syllabus, use different term than “assessment.” Prefer “assignments.”

I will return MRS 4217 via curriculum.osu.edu in a minute to enable the unit to address the Panel’s feedback.

Should you have any questions about the feedback above, please feel free to contact Robert Derr (Acting Chair for the Panel this past Tuesday), or me.

My best,
Bernadette
