Subject: Concurrence

David/Trevon,

As a result of enrollment problems AEDE is proposing to combine a number of its region-specific economic development courses into a single course. The syllabus is attached. The SBS curriculum committee has requested that I seek the concurrence of the Department of Economics for this proposed change. Like its predecessors, the new course will be cross-listed with International Studies, hence its being on the SBS agenda.

Please get back to me if you have any questions.

Tony
