Hello Julie,

On Tuesday, February 23, the Arts and Humanities Panel of the ASC Curriculum Committee considered a proposal to offer some sections of Linguistics 2367.02 fully on-line. Please know that the Panel unanimously approved the proposal with 4 comments, which I here report:

- The on-line syllabus mentions on p. 3 that the GE is Cultures and Ideas. This is incorrect and would be very confusing for students. Please make sure that the syllabus is corrected to say “Writing and Communication—Level 2” before the course is offered.
- Clarify attendance policy in on-line syllabus.
- Department should think about how they/faculty member will carry out GE assessment for this on-line course going forward.
- Form in curriculum.osu.edu currently says that the prereq is, “English 1110.01 (110.01), 1110.02 (110.02), or 1110.03 (110.03), or equiv.” Before advancing the course, we will add “and sophomore standing” since all GE Writing and Communication Level 2 courses require sophomore standing. (Note: Course changes to that effect should also be made for Linguistics 2367.01 and 2367.01H.)

Should you have any questions about the feedback above, please feel free to contact Janice Aski (Chair of the Arts and Humanities Panel), or me. (Please call me if you have any questions about the 2367.01 and 2367.01H prereq.)

My best,
Bernadette
