Hello Tim,

On Tuesday, February 23, the Arts and Humanities Panel considered a proposal for a new course, Music 3344 with GE Visual and Performing Arts.

The Panel unanimously approved the request with one contingency, namely: If the course will count in one or several of the undergraduate majors in SOM, please provide curriculum map(s).

I am including a reminder that the GE assessment plan will need to be implemented from the very first offering of the course and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Assessment Panel of the ASC Curriculum Committee will ask the School of Music to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 8 of the ASC Curriculum and Assessment Operations Manual [p. 116] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Danielle Hogle can help the School of Music with any aspect of the GE assessment requirement. She will also make sure to contact you before the course is offered and provide any assistance that may be needed with assessment. Could you please communicate this information to the faculty member(s)?

Please let us know if you have any questions. (I will hold on to the course until I hear back from you about the curriculum map.)

My best,
Bernadette
