Hi Kristi,

Just a note to let you know that Pok-sang Lam has approved the revisions to both Sociology 3200 and 5450. Starting Spring 2017, Sociology 3200 will carry GE Diversity-Social Diversity in the US and Sociology 5450 will carry GE Diversity-Global Studies.

I am including the usual reminder that the GE assessment plans will need to be implemented from the very first offerings of the courses as GE courses and GE data gathered. As is the case for all new GE courses, after the second offering of each course, the Assessment Panel of the ASC Curriculum Committee will ask the Dept of Sociology to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 8 of the ASC Curriculum and Assessment Operations Manual [p. 116] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help the Department of Sociology with any aspect of the GE assessment requirement. She will also make sure to contact the Department of Sociology before the courses are offered and provide any assistance that may be needed with assessment. Could you please communicate this information to the faculty member(s)?

Please let us know if you have any questions.

My best,
Bernadette
